

Up and Atom! Science at Home

Can You Make It?, ages 5-7 and 8-11

Materials List

- ½ package uncooked spaghetti (regular spaghetti, not angel hair, approximately 30 pieces)
- Mini marshmallows (approximately 40)
- 1 Can of soup, vegetables, or fruit (unopened, approx. 10-15 oz)
- Can-Cassowary outline - (Included with registration) printed, colored, and cut out
- Tape (any kind, use to tape cutout to can)

Extension activity

- ~6 ft. of string, yarn, or ribbon
- Broom handle or round stick
- 2 chairs of equal height

Allergy-friendly alternatives

- 1 box toothpicks (substitute for spaghetti)
- ~40 Styrofoam or cornstarch packing peanuts (substitute for marshmallows)
